Gabriela Dewani Aristaningsih

UI/UX Designer

Surabaya | gabrieladewani19@gmail.com | +62 82131466943 | Creative Technologist |

Profile

As a passionate UI/UX Designer with a strong multimedia background, I specialize in creating intuitive and visually engaging digital experiences. My expertise covers user research, wireframing, prototyping, and front-end implementation using HTML, CSS, and JavaScript, supported by creative design skills in Adobe Illustrator, Photoshop, and Figma. I am dedicated to crafting user-centered designs that blend functionality with aesthetic value, consistently integrating the latest design trends and usability principles to deliver impactful and seamless user experiences across web and digital platforms.

Main abilities

- User Experience (UX) Research
- User Interface (UI) Design
- Visual & Graphic Design
- Front-End Development
- Wireframing & Prototyping
